Q: Additional comments

- 1 I enjoyed having Subin as an instructor. He was very helpful during his office hours and in class.
- 2 Subin is a great ta and I would definitely have him again! He always there for office hours and very easy to get a hold of for questions. I would definelty take a class with him as a ta again.
- 3 I would definitely recommend this class and Subin as a TA. He is very helpful and I feel like I've learned a lot!
- 4 Subin seems very interested in teaching the material as well as in his students learning. He's always filled the discussions with as much information as possible and asked if there were any questions or specific areas of study that students would like to review. He also did midterm evals that he paid close attention to and tried to design the class in a way that even better helped the students. He does a good job at teaching and reviewing but also letting students work together as a group and interact. I once went to his office hours for assistance/editing on a class project and he was extremely helpful to me. He answered all my questions and reviewed it to let me know where I was lacking or ideas could be changed. He was enthusiastic about helping me. He obviously loves what he does and is very good at making himself available. I enjoyed having him as a TA.
- 5 I think there should have been more time during class for like going over material rather than doing the group stuff cause that didn't help me much but that's also just me so idk
- 6 You're a good guy Subin, keep rocking on
- 7 I thought this discussion group was well conducted and I learned a lot. This discussion group truly helped me be successful with this class.
- 8 Subin is very good at explaining the topics. I think we do too many group things in discussion.
- 9 Subin is kind and cares a lot about student success in section.
- 10 None
- 11 Great TA, I really enjoyed the class!
- 12 Subin is that dude
- 13 He is by far one of the best at being able to meet with you and offer help whenever you need it. When giving feedback he will always be direct on what you did well and what you need to improve.

Q: Additional comments

- 1 Subin is great with meeting students at his office hours. He always fills us in if we miss any work and makes sure we are understanding class content.
- 2 Subin was more than willing to help my on my term paper and and by doing so relieved stress, taught me more about the content I had included, and made me feel more prepared to finish my work.
- 3 He was a great teacher and I enjoyed being in his class
- 4 Subin is great; I enjoyed having him as a TA. One thing: getting a variety of people to participate in discussion was like pulling teeth. I think Subin should randomly call on people to encourage participation. Overall, Subin does a nice job!
- 5 very relaxed seems completely natural at teaching.

- 4 Overall, was a great class if you had any questions about lecture.
- 5 Great TA!
