Great teacher! A lot of commitment involved
great class! loved the debates in class and the interactive design
Great professor and great style of teaching
Very invested professor, you can tell he wants us to learn. Thanks!
Amazing course as well as professor! He did a great job teaching us about politics and truly made the class engaging with debates and short presentations. I wish I had him next semester again as a professor! :)

He really appreciates our effort as students. I feel he is very kind and he always explains politics with an easy approach so we can understand it. I love this class. We want more teachers like him in IE!
Great Professor!
